## GUIDELINES

We are looking for curators who:

- are working and living outside Romania;
- are showing consistent curatorial practice;
- manifest a genuine interest in the local art scene (a practical reason for the residency – ex. research for a confirmed future project – will be taken into account);
- are willing to engage with the local audience through a public event (ex. presentation or workshop);

We offer:

- a residency based on a combination of structured & free time, tailored to each resident's interests;
  - accommodation for the whole duration of the residency (typically up to 14 days)\*;
  - round-trip airfare to Bucharest;
  - opportunity to host a public event (such as presentation or workshop) with one of our partner organizations: Salonul de Proiecte and ODD.
- A net fee of €330 will be granted for hosting such an event, also to be used as per diem;
- accommodation & travel expenses to other cities in Romania which have a strong art community (ex. Cluj, Iași, Timișoara)\*\*.

*\*as the accommodation is not set in a single location, the arrangements will be made on an individual basis*  
*\*\* depending on the available time of the curator, as the focus of the residency is Bucharest*
